Important Account Update - Thank you for being a Charter customer.

This is just a reminder as you review this month's statement that the promotional period for one or more of your Charter services has now come to an end. Your new monthly rate will be \$73.97 for Charter TV, \$49.99 for Charter Internet and \$19.99 for Charter Phone, plus applicable taxes and fees.

Because the exact date your new pricing takes effect occurs in the middle of your billing period, this statement will reflect the new rate for just a part of the month. All subsequent statements will reflect the new pricing in full.

Again, thank you for your business. It is our pleasure to serve you.

Account Reminder - Thank you for being a Charter customer. We hope you are continuing to take advantage of all that your Charter Services have to offer.

You may notice that the total monthly charge on this month's statement is different than last month. You'll recall that the discounted rate for your promotion period ended last month, but because the exact date your new pricing took effect occurred in the middle of your billing period, that statement reflected the new rate for just a part of the month. This month's statement reflects your new pricing in full.

Again, thank you for your business. It is our pleasure to serve you.
